Maine Prairie Township
February 8, 2022

Planning and Zoning meeting opened at 7:00 p.m.

Motion by Zoning Administrator Froehling/Supervisor Loewen to approve the January 11, 2022 Planning and Zoning meeting minutes. All in favor, motion carried.

New Business:

Dan & Drew Beck/Feedlot Expansion: In order to satisfy their Conditional Use Permit request for expansion of their feedlot at Stearns County Environmental Services, the County requested the Becks' to discuss the expansion with the Township. The feedlot is located at 7220 County Road 146 (PID 20.11284.0000). The request is to 1) construct a total confinement barn with an under barn concrete liquid manure storage area and a concrete sorting and handling area, and 2) increase from 465 animal units up to 999 animal units. A public hearing will be held at the County on February 17, 2022. After discussion and review of the Becks' plan, the Board had no opposition to the plan. Zoning Administrator Froehling did advise the Beck's that a permit from the Township would be needed before they start construction of the barn.

Review and Approve Township and County Permits: There were no Township or County permits for approval in January.

Old Business: None

Motion by Zoning Administrator Froehling/Supervisor Wicker to adjourn Planning and Zoning at 7:15 p.m. All in favor, motion carried.

Respectfully submitted,

Alice Robinson
